Organizational Summary:

Conservation Legacy is a nationwide non-profit. The Corps programs within the organization engage participants in diverse conservation and community projects that serve public and private lands. These projects provide opportunities for personal and professional development and strive toward a high priority of needs for public land managers and community partners. Through the mission of engaging future leaders who protect, restore and enhance our nation's lands through community-based service; Conservation Legacy works toward a world with healthy lands, air and water; thriving people and resilient communities.

Arizona Conservation Corps (AZCC) operates conservation service programs across Arizona that empower individuals to positively impact their lives, their communities and the environment. AZCC has operational bases in Tucson and Flagstaff, Arizona. AZCC, a program of Conservation Legacy, aims to continue the legacy of the Civilian Conservation Corps of the 1930s. AZCC is focused on connecting youth, young adults and recent era military veterans with conservation service work projects on public lands.

Position Summary:

The Program Coordinator's primary responsibilities are recruiting, hiring, training, supervising, and mentoring seasonal field staff including Field Technicians, Crew Leaders, Assistant Crew Leaders, and AmeriCorps Crew Members. The Program Coordinator engages and motivates seasonal staff and crew participants to complete challenging and impactful outdoor conservation service projects. This position is responsible for ensuring an inclusive, positive, and safe learning environment that promotes participants' work ethic, team building skills, and stewardship. The Program Coordinator is responsible for overseeing and maintaining consistent quality control, risk management, quality data, and program integrity. The Program Coordinator will work alongside other AZCC staff to support high quality programming by maintaining partnerships, coordinating field projects, conducting pre-project site visits, managing field projects, and maintaining the crew's tools and field equipment. Office and field work are required for this position, and the ability to work a flexible schedule is critical

Outcomes & Functions of Position:

Supervision and Support

- In coordination with the Program Director and AZCC staff recruiter, hire and train Crew Leaders and Field Supervisors.
- Under the guidance of the Program Director and AZCC staff mentors, evaluate and supervise Field Technicians and Crew Leaders.
- Mentor Field Technicians in supporting quality programming and maintaining partnerships through project coordination.
- Guide crew conflict resolution and restorative justice practices as per the Field Operations Manual.
- Work with AZCC staff to organize and coordinate crew graduations.

- Support the Administrative, Recruitment and Management Teams by ensuring paperwork is processed in a timely manner.
- Support the Administrative team by ensuring payroll information, credit card reconciliations and workers compensation paperwork is processed in a timely manner.
- Coordinate with the Recruitment and Enrollment team to ensure that all on-boarding and AmeriCorps paperwork is processed in a timely manner.
- Communicate clearly and professionally with Conservation Legacy staff and supervisors.

Project Support

- Maintain strong working relationships with a diverse array of land managers.
- Work with project partners to develop and write project expectations and specifications.
- Clearly communicate project work plans to Field Supervisors and crew leadership, ensuring that they are prepared and knowledgeable of projects prior to implementation.
- Actively engage in quality control and risk management through all phases of project planning, implementation, and evaluation.
- Maintain a staff presence in the field, including frequent overnight stays.
- Collect data from crews on an on-going basis. Maintain and organize multiple information systems and databases after each hitch.
- Serve as a responder to AZCC field emergencies, including being “on-call” for after-hours support.
- Fill in as needed to support crews in the field.

Logistical Support

- Assist the logistics staff to ensure the shop, fleet, equipment, and other practical crew needs are met.
- Ensure that all field equipment and fleet needs are clearly communicated with AZCC staff at the end of each hitch.
- Coordinate with logistics staff to ensure that all logistics data sheets are completed and turned in at the end of each hitch.
- Ensure that crew tools and equipment are maintained, repaired, and ready for each hitch.

Training

- Work with Program Directors on planning and implementing Field Trainings.
- Assist Program Directors in finding quality sites for trainings
- Coordinate with AZCC staff in facilitating a wide variety of in-house trainings such as, but not limited, to leadership, team building, chainsaw and crosscut operations, pesticide application, trail work, defensive driving, Wilderness First Aid, and Leave No Trace, and AmeriCorps orientation.

Organizational Advocacy

- Successfully engage, lead and support an inclusive work environment for those of underrepresented populations within the organization and the communities we serve.
- Lead and/or participate in organizational-wide teams, projects, and initiatives that support the work of the Strategic Plans goals.
- Report any potential complaints within the organization as identified in the Personnel Policy Manual.
- Assist or lead other responsibilities, as assigned.
